Alexandria Township Agriculture/Open Space Commission will host a meeting at the municipal building on Wednesday, 20 April 2022 at 7:00 PM to discuss in detail the Farmland Preservation Program. Franklin, Holland, Kingwood and Union Townships will be additional participants.

The program presenters will be Bob Hornby representing Hunterdon County and Stefanie Miller from the State of New Jersey. Both are well qualified, and the presentation will clearly explain farmland preservation. After the presentation, there will be a question-and-answer session.

Funds are available and smaller acreages are being considered since many of the larger farms have been permanently preserved as agricultural land. Please email [clerk@alexandrianj.gov](mailto:clerk@alexandrianj.gov) **with the names of those attending.** Space is limited to thirty (30) so we may not be able to accommodate you unless you have a reservation.

**YOU WILL BE NOTIFIED ONLY IF THE SPACE IS FULL**
